

A detailed architectural floor plan of a room, shaded in red with diagonal hatching. The room is divided into several sections by walls and partitions. At the top, there is a small rectangular area. Below it is a large trapezoidal area. Further down, there are two smaller rectangular areas, one on the left and one on the right. At the bottom, there is another small rectangular area. The plan includes door symbols with swing arrows and curved lines indicating door arcs. The overall shape is irregular, following the left wall of the room.

$p = 5,58 \text{ m}^2$

STAN S17
 $p = 70,30 \text{ m}^2$

$p = 5,32 \text{ m}^2$
